

Oscar Romero

Systems Engineer - Junior Programmer- Tutor (English)

✉ oscarcouts9@gmail.com ☎ +584269318850 📍 Maturin, Venezuela 🔗 <https://www.linkedin.com/in/romeroscar/>
🐙 <https://github.com/Oscarro94>

Systems Engineer with a deep passion for programming and a constant commitment to learning. Capable of working under pressure while managing high workloads, as well as being independent with little supervision. Currently, I am exploring new technologies such as JavaScript and Java, with the aim of expanding my skills and staying at the forefront of this dynamic field.
